SCMA EDUCATION FOUNDATION

### **OUR MISSION**

The mission of the Foundation is to support and promote programs in K-12 schools that teach students conflict management skills and enrich their lives into adulthood. To further this mission we raise and distribute funds as well as serve as a resource for those seeking networks and information on conflict resolution.

### **OUR VISION**

Our vision is to build a more harmonious society by fostering the development of tomorrow's leaders who will choose methods of non-confrontational conflict resolution.
